PURPOSE OF EAST HILL BAPTIST PRESCHOOL

The weekday preschool is a ministry of East Hill Baptist Church and part of the East Hill Weekday Children's Program. It is the purpose of the preschool to provide a loving, caring environment where each child has a sense of belonging and feels safe and secure. In addition, the preschool is concerned with effectively stimulating each child's growth physically, spiritually, emotionally, cognitively, and socially. In each room, as in the school as a whole, the preschool seeks to reflect God's love (John 3:16).

PHILOSOPHY OF EAST HILL BAPTIST PRESCHOOL

At East Hill Baptist Preschool we treat children as individuals. We encourage children to learn to think for themselves and therefore do not do for the children what they can do for themselves. We seek to follow through when asking for a response or making a request of a child and we teach each child to finish a task he or she has begun. Teachers are consistent in using the school's discipline policy and positive when correcting children by directing them in the proper behavior. The goal in discipline is to focus on the behavior, not the child's worth as an individual. Teachers use a soft voice when speaking to our children and aim for less talking and more listening. We avoid using symbolism when speaking of spiritual things. We encourage creativity as we help every child to grow and develop understanding in the eight concept areas of God, Jesus, Self, Others, Family, Natural World, Bible, and Church (Luke 18:15-17; Psalm 78:5-7; Mark 9:36-37).

STATEMENT OF FAITH OF EAST HILL BAPTIST PRESCHOOL

We believe that the Bible is the divinely inspired record of God's self-revelation to humanity. We believe that the eternal God is one and is revealed to us as Father, Son and Holy Spirit. We believe that God has most completely revealed himself to us through his incarnation as Jesus the Christ.

We believe that we are saved by God's grace through faith in Jesus Christ.

We believe that the church is the representation of Christ in the world.

GOVERNING BODY OF PRESCHOOL EAST HILL BAPTIST CHURCH WEEKDAY CHILDREN'S MINISTRY COUNCIL

The purpose of the Weekday Children's Ministry Council is to assist the church by supervising the management of the Preschool, Before/After School, and Summer Day Camp in consultation with its directors. The council will consist of at least three church members, the weekday directors, a ministerial staff liaison, and a representative from the Stewardship Committee. The council will be responsible for the following:

1. Assist with the development of the preschool budget.
2. Assist as liaison between the school and the church body.
3. Coordinate the ministry with the other ongoing ministries and life of the church.
4. Assume other responsibilities as requested by the ministerial staff, church body, and weekday directors.

4. Complete the payment information.
5. Select "PAY NOW" and you're all set! Thank you!

Monthly Tuition Email

The start of each month, a Tuition Statement Email will be sent from the main office. The account balance will reflect tuition and any early drop-off or extended day utilized from the previous month.

Payment Due

Payments are due by the 10th of every month.

Late Payments

To ensure continued enrollment in the program, the account must be current within 30 Days.

COVID-19 POLICY

The preschool is working in partnership with families this school year to provide a safe and enriching environment for all students, families, and staff. It is our goal to follow LCS decisions if more pressing situations arise.

Handwashing/Sanitizing

Handwashing and hand sanitizing for students and staff throughout the day.

Cleaning

The facility and equipment will have scheduled cleaning procedures throughout the day that will meet CDC standards.

Sick Policy: Students may not attend if they have a fever of 100.4 or higher, and they must be 24 hours without a fever before returning. Students must be 24 hours without vomiting before returning. Please do not send your child if they are feeling or looking unwell.

DAILY SCHEDULE

Each class schedule will vary to allow for needs, ages and interests of the children. The teachers will maintain a balance between group and individual activities along with active and passive activities. Children will be encouraged to participate in the play/learning centers of their choice. A variety of materials are offered that relate to the theme of the week. The centers may include:

Art	Books
Language/Writing	Science/Nature
Block	Home Living
Manipulative	Sand/Water

Other Play

The children are taken outside each day to play on the playground or go on a nature walk. In case of undesirable weather, the large gym is available.

Music

Each class will participate in music/movement each day led by the music teacher.

Circle Time

The children come together as a group each day and participate in stories, songs, finger plays, and other language activities related to the theme.

Lunch and Snack

All children will need a lunch and snack brought each day. Foods needing refrigeration or warming should not be sent.

We will emphasize good nutrition. The USDA food guide pyramid and other nutritional information may be viewed by parents at www.pueblo.gsa.gov/cic_text/food/food-pyramid/main.htm. Candy may be brought for special events but should not be sent in the child's lunch box.

There will be times that the children will be involved in cooking activities and will be asked to bring in a specific food.

Arrival

Early Drop-Off (7:30-9am)

Before School children should arrive no earlier than 7:30 am. Before School children may be registered on a daily or monthly basis. Before School families may enter at the Preschool Office door where staff will let you in. Any children arriving before 9:00 am will be billed accordingly for Before School.

Drop-Off (9:00am)

Preschool children must be brought to their assigned classroom by a parent or responsible adult, and they will need to daily sign in the child upon arrival at the classroom. Families may enter at the main preschool entrance.

Late Drop-Off (after 9:15am)

After 9:15am the main preschool entrance will be closed and locked. Families arriving late or picking up early may enter by the secured preschool office door.

Departure

Pick-Up (1:00pm)

Preschool children are to be picked up at their classroom at 1:00 p.m. Children not picked up by 1:10 p.m. will be taken to the Extended Care and the parent billed accordingly. Children will not be permitted to leave with anyone other than parents and persons listed on the enrollment form.

Extended Care Pick-Up (1:10-3:00pm)

Preschool children in extended care can be picked up in the preschool. There will be signs posted to indicate if the children are inside, at the playground or in the gymnasium during this pick-up time. The child will need to be signed out, belongings collected, and be picked up in the posted area.

We are **NO LONGER offering After School (3:00-6:00pm).*

CLOTHING & PERSONAL ITEMS

Clothing

- Children need to wear comfortable play clothes. We believe children need freedom to explore art materials and the outdoors without fear of negative parental response due to soiled clothing. Please send children in inexpensive play clothes.
- Sweaters, coats, hats, rain gear and mittens should be marked with your child's name.
- Children will need a change of underwear and weather appropriate clothes labeled with their name in a zip lock bag. These clothes will be kept all year and returned at the end of the school year.
- Flip flops, jelly shoes, dress shoes, and cowboy boots are not permitted. Soft soled closed toe shoes are the best for active playground play and climbing.
- There will be special dress up days announced by each class. Please remember some children may not be comfortable dressing up; rather than insisting, please send their clothes in a labeled bag in case they change their mind later in the day.

Things Not To Bring

- We ask that children bring only those items teachers request. Often when a child brings a toy to school it is lost or broken.
- Children should not bring or wear anything that could be damaged, lost, or cause injury to themselves or others, such as watches, bracelets, earrings, etc.

POLICIES

Teacher/Parent Relationship

Teachers plan and implement methods for establishing positive relationships with parents including daily contact as well as specific events and meetings. Teachers will send electronic weekly newsletters and paper copies are made available. All teachers evaluate the spiritual, social, emotional, and intellectual level of the individual child on an ongoing basis. VPK students are formally assessed three times yearly. Parent/Teacher conferences to address kindergarten readiness are scheduled upon request. Teachers may initiate extra conferences as needed throughout the school year with the input of the program administration.

Discipline Policy

According to State of Florida Statute Section 402.305(12), all child care personnel of the child care facility must comply with the facility's written disciplinary practices. Such policies shall include standards that prohibit children from being subjected to discipline, which is severe, humiliating, frightening, or associated with food, rest, or toileting. Spanking or any other form of physical punishment is prohibited by all child care personnel.

Discipline at East Hill Baptist Preschool means guidance in the form of helping children change undesirable behavior into more acceptable, satisfying behavior. Guidance is a process that is slow and time consuming. What is successful with one child may not be with another, so many different techniques may be necessary.

Different Guidance Techniques Used

Positive Statements	Encouragement
Praise	Natural Consequences
Active Listening	Logical Consequences
Redirection	

If the above methods are not successful a child may be removed for a brief period of time from the group or activity he/she is involved in. If a time out is necessary more than occasionally, parents will be contacted.

Program Suspension Procedures

Suspension

Students may be suspended or even dismissed from the program due to classroom disruption, lack of anger control, harmful behavior toward others, inappropriate language, sporadic attendance, or failure to pay tuition. First, second, and third incidents will be documented in writing by the supervising teacher. The teacher will submit this written documentation of the incident to the principal for placement in the child's file. After three documented instances both the supervising teacher and principal will arrange a conference with parents to create an improvement plan to be implemented in the classroom.

Dismissal

If the child's behavior is not corrected, the administration will make a final decision regarding suspension for a period of time or dismissal from the program. The Weekday Children's Ministry Council will be notified regarding any decision to suspend or dismiss a child from the program.

Physical and Shot Records

A Florida Department of Children and Families Service health information sheet must be obtained and filled out by a physician for every child enrolled. This form is due before the first week of school. We are required by law by Department of Children and Families to have and maintain updated records. Having expired forms can lead to suspension of child until updated forms are obtained.

Illness Policy

We can only accept well children. We are depending on parents to help us maintain this policy. Symptoms that are cause for keeping your child home are: a cold, coughing, flushed skin, earaches, red eyes, chills, skin eruptions, sore throat or fever. Should a child become ill during the day, parents will be called to pick him or her up as soon as possible. A child with a fever must go 24-hours fever free (without medication) before returning to the program.

Medication

A form must be completed in the administration office for any medication a child may need during program hours. The medication must be brought in its original container.

Potty Training

All children entering either the three-year-old class or the VPK class must be completely potty trained before the first day of school. Teachers in the two-year-old classroom will assist students in this process.

Naps

Naptime is not provided during program hours.

Lost and Found

Lost items can often be found if you label all your child's belongings with his/her first and last name. Our lost and found basket will be kept in the preschool office.

Birthdays

Due to past conflict and many tears, we now have a school policy of no party invitations delivered at school. Upon request, a class address list will be provided for you to mail invitations. Preschoolers delight in receiving mail.

Birthdays are special. Please talk to your child's teacher if you would like to provide a snack to recognize your child's birthday. Please do not bring balloons.

Accident or Injury

Our teachers are CPR and first aid trained. In the event of accidents or injury, first aid measures will be taken, and the parent contacted. If the injury is very minor, an accident form will be filled out and the parents will be informed when picking up their child.

State Licensure and Certification

East Hill Baptist Church Preschool is a State of Florida VPK certified program that meets the standards set forth in the Florida Partnership Act for School Readiness. The School Readiness Act, State of Florida Statue Section 411.01, was passed unanimously by the Florida Legislature, and signed into law by Governor Jeb Bush. The Act recognizes that School Readiness programs increase children's chances of achieving future educational success and becoming productive members of society.

East Hill Baptist Church Preschool is licensed through the Department of Children and Families, Leon County, Florida, Certificate Number **C02LE0238**, which renews annually in October.

East Hill Baptist Church Preschool is recognized by the State of Florida Department of Education. The East Hill Baptist Church Preschool program goals and curriculum information is based on the **WEE Learn Curriculum**, approved by the State of Florida as a Kindergarten Readiness prospectus. The **WEE Learn Curriculum** adheres to the following:

- To be partners with parents and God in meeting the needs of preschoolers.
- To establish an environment where children grow freely as they become all they can be as God intended.
- To facilitate many experiences where a child will feel love, acceptance, security, protection, independence, faith, guidance, and control.
